

# Press Release

## ez-Read Online Library - a new online library application

December 20th, 2018 – team 6666 lunches a new online library application -- ez-Read Online Library! Imagine, no more getting stuck in a traffic jam while driving to your local library, no more entanglement on the library retrieval system, no more spending tons of time waiting in the line, hoping that check out process could get faster. With the help of the new online library, you can just borrow and return books in a few seconds. Not to mention, tons of new book will be added in our inventory every week!

"It saved me so much time! " said Mr. Guang, "The application made me get addicted to books!"

" The application made my learning process become easy. I feel I'm on a higher level of curiosity now! " said Mr. Curiosity.

### Why “ez”?

- Searching for books can be easily done in couple different ways, by providing a author name, a date range, a book subject or genre.
- Users may browse the library's website, check out with a monthly subscribed members account, and download to PC, Mac®, and many mobile devices.
- Titles will automatically expire at the end of the lending period. There are no late fees!

## **Frequently Asked Questions:**

Q: Is membership fee returnable?

A: Yes! We offer a 1-month free trial. After that, monthly subscription fee will be \$10/month. But don't worry, anytime you want to cancel your membership? just contact us. No question asked!

Q: How long can I keep the book I borrowed?

A: The default borrow time is one month, but you can also set up your own time. Don't worry! you'll get a reminder when the return date approaches.

Q: Can I extend my return date?

A: Of course! Simply go on our website and click "request extension" button then you are all set!

Q: Can I find new released books on your website?

A: Yes! We updated our inventory on a weekly basis! It means there are tons of new books coming into our website every week. Please go to the new released section under main menu. If you can't find the books you are looking for, be sure to contact our customer services. We will be more than happy to bring that for you!

Q: How can I borrow books from other users?

A: You can just find the book you want to borrow, and click the "request to borrow" bottom below the book cover. Once the request is approved by the book owner, you will get an email notifying you about it, and the e-book will automatically been added to your borrowed book library.
